- Your place or ours
- One on one, with a partner, with family or friends

MANAGE YOUR MONEY SESSIONS

1. MONEY AND YOU

How do you and money get on? How do our personalities influence the decisions we make about money? How do we change our habits?

2. THE MONEY JUGGLER

How do we manage all the demands on our money? What are our dreams and goals? How do we save for them?

3. DATE NIGHT

Finding it hard to agree on how to spend those dollars? Having a shared goals is really important and we can sit down with you both to talk it through.

4. WHO STOLE MY MONEY?

Often wonder where your money has gone? Practical ways to track and manage your money.

5. KIWISAVER

Setting up Kiwisaver for saving / hardship applications

6. DEALING WITH DEBT

How do we cope when bills start piling up? We look at ways to deal with small and large debts.

7. CREDIT REPORTS

What are they and how do I get one? We can help you order your credit report.

8. INSOLVENCY OPTIONS

Debt Repayment Order, No Assets Procedure and Bankruptcy. We go over the options, look at what is involved and discuss which may be the best option for you.
